

Vicus eigen software wordt normaliter via ons SaaS platform ter beschikking gesteld. Deze is dan niet vrij downloadbaar. Indien afgesproken is de software on premise te installeren dan kan de onderstaande licentie van toepassing zijn verklaard.

## Vicus Reciprocal Commercial License 1.0 (VRCL)

The Vicus Reciprocal Commercial License will be referred to as "The VRCL License" in the remainder of this text. The source code of the Software and any related executables will be referred to as "The Software".

This irrevocable, perpetual license covers all versions of The Software which refers to The VRCL License.

The VRCL License gives the holder right to install The Software on ONE productive installation and ONE development installation.

The VRCL License holder is allowed to make modifications to the sources but in no event will the original copyright holders of The Software be held responsible for action or actions resulting from any modifications of the source. The VRCL License holder is REQUIRED (that is the reciprocal part) to publish all changes made to The Software by sending new versions to [license@vicus.nl](mailto:license@vicus.nl).

The VRCL License holder is not required to publish or otherwise make available any software used in conjunction with The Software. The VRCL License holder may not re-distribute The Software on it's own or versions thereof to third party without prior written permission of the copyright holder. The VRCL License also does not allow The Software to be redistributed as part of another product.

The VRCL License may be transferred to another installation only with prior written permission.

The wording of The VRCL License may change without notice for future versions of The Software.
